CERTIFICATE

This is to certify that the Quality Management System of

CHEMSYNTH LABS

Plot No. PAP-R-148 TTC RABALE, NAVI MUMBAI- 400701.

has been assessed and found to conform to the requirements of

ISO 9001:2015

This Certificate is valid for the following scope

Manufacturing & Distribution of Laboratory Chemicals, Speciality Chemicals & Laboratory Equipment to :

- **Institutions - Education & Research.**
- **Industries - Pharmaceutical , Health Care, Chemical, Food & Beverage, Iron & Steel, Electronics, Plastic.**

Certificate No.	:AMER10699
Registration Date	:29/04/2023
Issue Date	:04/05/2023
Expiry Date	:28/04/2024
Recertification Date	:28/04/2026

Director

Operations Office: D 303, 104.Nisarg plaza, Bhumkar chowk - Hinjewadi road, Wakad, Pune 411057

Dear Customer,

Greetings from Team ChemSynth!

It is with great pleasure we present our Price List of Laboratory Chemicals & Reagents!

We specialize in providing Laboratory Chemicals & Reagents of various Grades for most of the critical applications in your Laboratory. Having access to high quality chemicals is critical, and hence we are committed to providing excellent products, & efficient customer support.

We believe that our relationship with our customers should be a partnership, and we strive to provide personalized service that meets your unique requirements. Our goal is to make your experience with us as easy and seamless as possible.

We believe that customer satisfaction is the cornerstone of our success, and we constantly strive to exceed their expectations. Our commitment to quality and reliability is reflected in the products and services we offer, and we are constantly seeking new ways to innovate and improve.

At ChemSynth we value our employees as our most sustainable assets. We recognize that their knowledge, skills, and dedication is critical to our success, and we are committed to providing them with a work environment that promotes teamwork and excellence. We believe in investing in our employees and providing them with opportunities to grow and develop, both personally and professionally.

On behalf of Team ChemSynth, I extend my best wishes to you.

Your contribution is very critical to our success and we look forward to a long & satisfying journey together.

Best Regards,

Ratan Bhatia

About us

At ChemSynth Fine Chemicals, we are dedicated to providing high-quality chemicals for various Industries, Research and Academic Institutions. With over 40 years of experience in the chemical business, we have established ourselves as a reliable partner for our esteemed customers.

Our team of experts is committed to providing exceptional customer service and ensuring that our products meet the highest standards of quality. We use the latest technology and techniques to manufacture our chemicals, and we are constantly exploring new ways to improve our processes and products.

Our manufacturing facilities (ISO 9001:2015 certified) are located at Navi Mumbai & Badlapur.

We take pride in our commitment to sustainability and environmental responsibility. We strive to minimize our environmental impact and to promote the health and safety of our employees, customers, and communities.

At ChemSynth, we value our employees as our most sustainable assets. We recognize that their knowledge, skills, and dedication is critical to our success, and we are committed to providing them with a work environment that promotes teamwork and excellence. We believe in investing in our employees and providing them with opportunities to grow and develop, both personally and professionally.

At ChemSynth Fine Chemicals, we believe in building long-term relationships with our customers. We are dedicated in assisting our customers achieve their objective by providing them with high quality products and efficient services.

Price

The prices mentioned in the Price list are effective from 1st January 2025.

The prices mentioned are exclusive of all applicable taxes, duties, levies, government fees etc. Goods will be invoiced at prices ruling as on the date of invoice and all taxes and government levies applicable will be charged. The prices mentioned are subject to revision / change without prior notice.

Taxes & Duties

The term Tax includes Taxes, Goods and Services Tax (GST), which comprises of Central Goods and Services Tax (CGST), State Goods and Services Tax (SGST) & Integrated Goods and Services Tax (IGST) and any other taxes, government levies, duties etc. levied in India as per the legislation.

Valid documentation, declaration, details are required in case the customer is eligible for exemption or lower tax rate. These documents, declaration, details should be provided along with purchase order or before dispatch of material. In the absence of above no exemption or lower rate of tax would be extended. It will be the responsibility of the customer to pay the applicable taxes, penalties if any demand is made on ChemSynth Fine Chemicals by the tax authorities, due to any incomplete or erroneous information or any non-compliance by the customer.

Correct & complete details for GST computation should be provided by the customer on the purchase order.

Delivery

Delivery will be on door delivery basis.

Freight will be charged extra for all orders less than Rs.20,000 /-

Road permits, storage & permit details of prohibited items should be sent along with the purchase order. Goods will not be dispatched in the absence of above documentation.

Breakages / Leakages

All goods are packed with required precautions and forwarded customer's risk. Breakage / Leakage claims should be sent to the Customer Services within 24 hours of receipt of goods.

Cancellation / Amendment

Orders once placed shall not be cancelled

All other General Terms & Conditions of sale of ChemSynth Fine Chemicals apply.

-  CFC offers Chemicals and Reagents for Research & Analytical Labs in convenient and user friendly packs
-  CFC also offers chemicals with Guaranteed Specs for Production in Bulk Packs (25 lit, 50kg, 200 lit)
-  Customized Packing Available

Analytical Grade Salts

Chemkleen - Cleaning Solutions

GC-MS Solvents

Our Product Range

Customized Buffer Solutions

ChemChrom

High Purity Solvents suitable for HPLC applications

ChemGradient

High purity solvents suitable for UPLC & UHPLC applications

SOLVENTS FOR GC - HEADSPACE

High purity solvents free from volatile impurities suitable for GC-HS applications.

Dimethyl Sulphoxide Chem GC-Headspace

N – Methyl – 2- Pyrrolidone Chem GC-Headspace

N,N-Dimethyl Acetamide Chem GC-Headspace

Dimethyl formamide Chem GC-Headspace

Benzyl Alcohol Chem GC-Headspace

Used for determination of Water Content in a given sample

Used in:

- Pharmaceutical Industries
- Plastic Industries
- Cosmetic Industries
- Food & Beverage Industries
- Chemical Industries

Outstanding Reproducibility

Stable and Sharp Endpoint

The Water Equivalence Factor F is 1ml of Reagent = 5mg of water / approx.

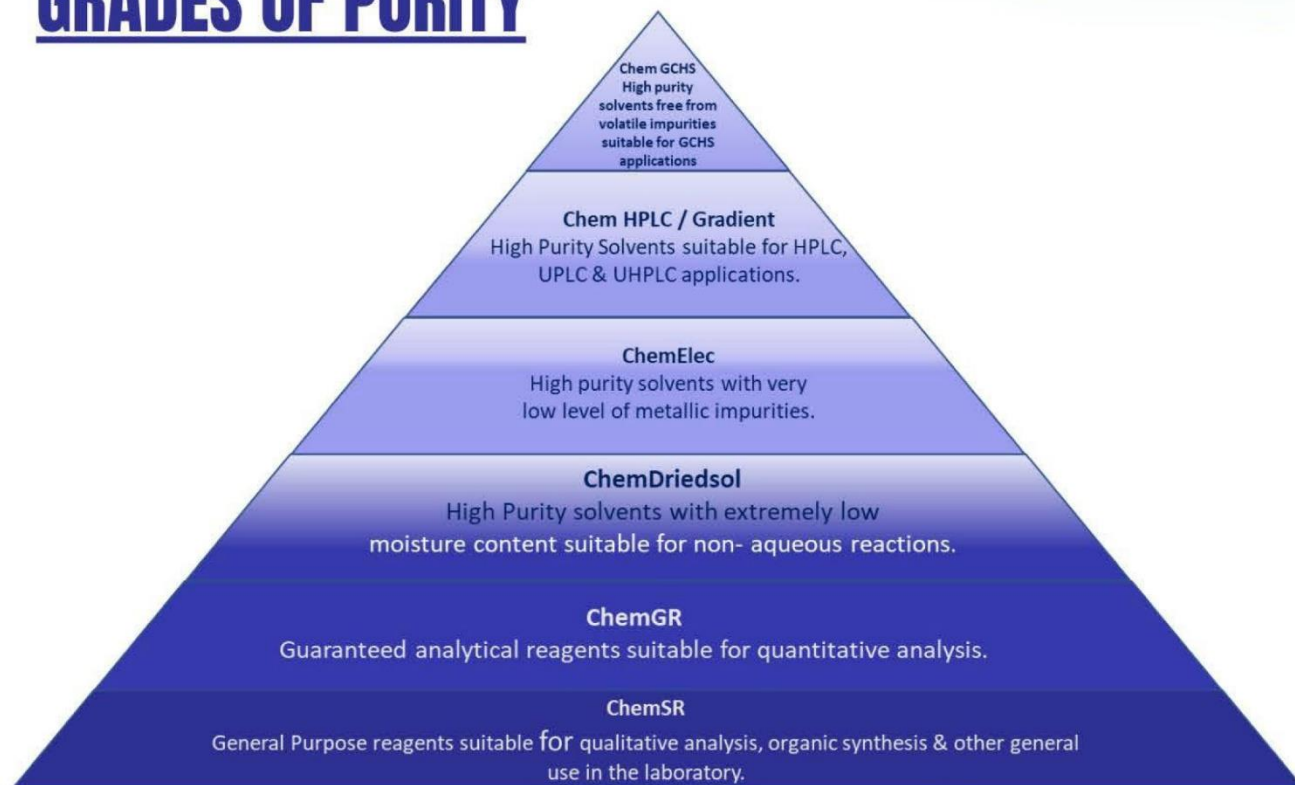

- Available in Neutral & Phosphate free grades
- Effective residue free cleaning
- Biodegradable

Chemkleen - Neutral & Phosphate Free

- Phosphate free highly effective for microbiological / bacterial cleaning
- Recommended concentration of 1% - 5% depending on the contamination load
- Available in pack size of 500ml, 5lts & 25lts

GRADES OF PURITY
